28th February 2019

Following the 4J class assembly on 15 March, we will be holding an opening for the new Nature Play Area that has been recently developed on the top oval.

Supporters of the project, including Rita Saffioti MLA, will say a few words prior to everyone being invited for a cuppa outside the staffroom. It would be wonderful to have some parent support through your attendance at this event. 8:45 to approximately 9:30am.
