

INFORMATION BULLETIN

Dear Parents

Please note that as from Monday 8 June, parents and caregivers are allowed onto school grounds to drop off and collect their children. To ensure the 2m2 rule is adhered to, parents are asked not to enter classrooms at the beginning or end of the school day.

Physical distancing of one person per 2m2 is still a requirement for all adults.

With parents being able to come onto school grounds we will be reverting to previous arrangements. Options for collecting children are:

- Parents can park and walk children onto/from school grounds
- Older students (Yrs 1-6) can meet parents at a designated point
- The morning drop off operates from the front of the school
- The afternoon pick-up operates from the side of the school

The WA Chief Health Officer letter which was sent to all school staff states:

- Schools are safe for staff and students and should stay open.
- School staff and children are not at increased risk of COVID-19 by physically attending school.
- There have been no cases of student-to-student transmission in Western Australia and no cases of student to teacher transmission.
- There is a relatively low risk of COVID19 transmission in schools.

The uniform shop remains closed! Orders need to be placed at the front office by Thursday morning. They will be sent home in the afternoon with your child.

We held our first virtual assembly for merit award winners this morning. We will be sending you links to watch recipients receiving their award.
