

# SJPIICPS

## Parent and Families committee

### Welcome to our parent and families newsletter

We have put together a brief newsletter to allow families time to enter in their diary the upcoming and exciting P&F events. We thank you in advance for your cooperation as we have tried our best to spread out events that have previously had to be put on hold. Each event will require some parent helpers who I will get in touch with via our school Facebook pages closer to the events.

It sure is going to be a busy end of term.

Jenna Brown

P&F President

### Event Dates:

28 <sup>th</sup> May	Pizza & Juice box lunch day
11 <sup>th</sup> June	School disco
2 <sup>nd</sup> July	End of Term 2

## Mothers Day Stall

Our P&F, hope all our mothers, caregivers, guardians, and grandmothers enjoyed their gifts and had a very special day of appreciation, love and laughter. Just over \$1100 was made from the stall and will be reinvested back into SJPIICPS.

I would personally like to thank the following:

Karen Wall, Nicole Mckean, Kristy Sharkey, Joanna Jagger, Cee Cee McBrewer and Caitriona Kenny for giving up half their Saturday to wrap and sort the gifts.

Mel O'Leary, Karen McCabe, Rebecca Solomon and Kerry O'Neill for running the stall on Friday. **Without parent volunteers, events cannot go ahead.**

Thank you to Hayley Ironside from Surge 24/7 fitness (Drovers Wanneroo) for their donations to the stall. If you would like further information on Surge, please call 08 9408 5659 and ask for Hayley.

## Pizza & Juice Box Friday

The P&F have arranged a Pizza and Juice Box day that will be held Friday, 28<sup>th</sup> May 2021. The pizza options available are Hawaiian **OR** Cheese, with a juice box **OR** water. Order forms went out this week. Parents will need to complete an order form for each child and return it with correct cash to the school office by Tuesday, 25<sup>th</sup> May. Unfortunately, late orders cannot be accepted. In line with our school values and to support our local businesses, we are purchasing the pizza from Banksia Grove Pizza and Kebab House.

LUNCH PACK INCLUDES = 2 x slices of a 13-inch pizza and a juice box **OR** water for \$5.00

# LET'S DISCO

Our P&F School Disco is planned to go ahead on Friday, 11<sup>th</sup> June 2021. We are keeping our fingers and toes crossed this can go ahead as scheduled.  
(Pending Covid-19 restrictions)

Kindy and Pre Primary students must be accompanied by a parent / guardian who must stay for the duration of the disco.

There will be glow in the dark accessories, canteen food and drinks available for purchase on the night.

Entry is \$3.00 per child (adults free)

Food, drinks and glow sticks will range from \$1.00 - \$6.00 each

**Parent helpers are desperately needed and will work on a rotational roster for supervision, canteen, entry and exit. I will be in touch a little closer to the event to ask for volunteers.**

# P&F Volunteers

Unfortunately, the P&F are in desperate need of committee members and parent helpers. At present, we have only three committee members - Jenna Brown as President, Samantha Poole as Secretary and Jo Jagger as Treasurer. As you can imagine, there is a lot of planning and research involved for each event. Spreading this out over more committee members and parent volunteers will enable our P&F events to continue. Each of our committee members work full time. We are not coping with the workload and will need to consider shutting down without support. Having the extra support is vital for events to remain as a fixture on the school calendar. **No Helpers WILL MEAN No Events!**

The P&F was originally designed to bring our community together in the spirit of harmony, create events the students can look forward to and to build our school relationships and networks. Each event benefits the children in our school. It provides an opportunity to socialize with their peers and enjoy events they may not normally get to attend. All money raised from events goes directly back to the school to assist with educational opportunities.

Our next P&F meeting will be Wednesday 2<sup>nd</sup> June 2021 at 5.30pm. We would love to see more parents/guardians attend as we will need to finalise the disco event planning.

Please RSVP to Jenna Brown on 0423497412 if you are able to attend.
